9th March 2020

HELLO,
I'M MR ED

Let me wish all of our members a very Happy New year and I am sure our club will go from strength to strength in 2020.

I am sure that we all enjoyed our Christmas meeting – breakfast – at the State Equestrian Centre in Brigadoon. If the volume of talking is related to the enjoyment we all had a wonderful time.

Lorraine and I have had the pleasure of cruising to and from Fremantle on the Sun Princess over Christmas and New Year, stopping at five Indonesian ports. Whilst we were on board a group of Probus members were also there ,they had come from a Victorian Probus Club. Maybe this is something we can consider for our dynamic club in the future. Whilst we were at a “wine tasting” a former member of our club - also a President of Ellenbrook Combined met us. It was Alan Rogers and his wife Elaine. Alan was President in 2011-2012 prior to my becoming a member. They had left Ellenbrook and I last met him at a club on the coast. As they had returned to Ellenbrook, I have invited them to join us for our February meeting.

Our Outings Officer Di ,who also has been away has organised a lunch for January so that we may start this year as we finished 2019 . Thank you Di for your efforts.

March will see us having our A.G.M. I invite you all to consider putting your name forward to form next years committee. It is great to see and hear from different people.

Remember ALL POSITIONS WILL BE DECLARED VACANT.

I look forward to 2020 with my friends from Ellenbrook club.

See you in February

Ed

HAPPY NEW YEAR

Christmas Breakfast 2019 - Fun Fellowship Food Friends

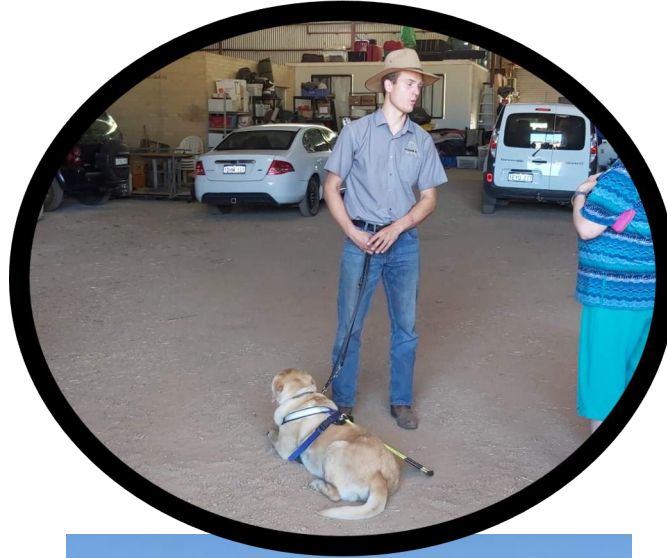

Sixty might be
the new forty
but 9:00 is the
new midnight.

When I say "the other day,"
I could be referring to any
time between yesterday and
15 years ago

to me 'drink
responsibly'
means don't
spill it.

Blind Cameleer—28 November 2019

DromeDairy started with the dream of founder Dr. Max Bergmann to run his own farm. Diagnosed with Retinitis Pigmentosa, a disease that has left Max almost fully blind, this dream seemed impossible to many, but not to Max. He had already mastered a lot of challenges in his life, competing in the Paralympics twice and completing a PhD in Agricultural Science, now he was ready for the next adventure. Check out the website of this inspiring young man's business

As part of the Blind Camel-eers visit Tour Probian's dropped by one of the oldest wineries in the State

Management Committee

The Management Committee at its November meeting noted that the following would be referred to the 2020/2021 Committee next year.

- 1 Addition of Other activities
- 2 Longer morning tea break at meetings

Outings Program - Diane Deppeler

Hello everyone, happy New Year to you all.

As we are not having a meeting until 3rd February 2020, I have taken the liberty of booking a lunch at the International on the Water, **1 Epsom Avenue, Ascot at 12 noon on Friday the 24th January.**

I need to know who is interested in coming ASAP as I need to give them definite numbers. Could you please contact me direct on 0427797042 or email me at kedi09@bigpond.com and I will add you to the list.

The cost is still \$15.00 and the last time we went there, everyone seemed to enjoy it. I have booked for 25 of us and can alter that either way when I have definite numbers.

As they will only accept one payment, I would ask that you bring the correct amount of \$15.00 and give that to me on the day. I will then make one payment to them for the lunches. That is just for the lunch and if you wish to purchase drinks, tea or coffee etc, you will need to do that separately. Thank you everyone.

Di.

PROBUS SONG by Paul Paviour OAM

We have done our share of duty,	Speakers, trips and dinners
working hard in town and country.	which have proven winners;
All our obligations done,	Membership in Probud offers
we take a well-earned rest;	fellowship to all, saints and sinners;
Probud member are delightful,	We of Probud have a chorus,
never angry, never spiteful,	life has lots of pleasures for us.
Living life with all our might,	Raise you voice and sing this chorus:
we're up there with the best.	fellowship for all.

It is physically impossible for you to lick your elbow.

If the Professor on Gilligan's Island could make a radio out of a coconut, why couldn't he fix a hole in a boat?

Yesterday police were called to a day centre {surely not the ABC} where a three year old was resisting a rest.

Why is a person that handles your money called a 'broker'?

If corn oil is made from corn, and vegetable oil is made from vegetables, what is baby oil made from?

A grenade fell onto the floor in France, resulting in linoleum blown apart.

Have you tried to lick your elbow yet?
